## ABOUT THE KADALSIRI

Karwar is a city which is popularly known as Kashmir of Karnataka. It is the main city of Uttar Kannada district and it is also administrative center of a district. More than its administrative power this city is recognized for its beautiful nature. Karwar is a city which contains mixed habitat of nature. On one side we can see a coastal region with the dense mangrove forest on the other hand we can also see a green treasure of nature that is Western Ghats, Western Ghat consists of dense forest of evergreen forest which is also known as Sahyadri ghats. Local residents of Karwar are known as karwarian. We can see a cultural diversity in this city people from different caste, religion live harmoniously among themselves. Basically people are calm, silent and peace lover so in order to motivate such youth and to guide them kadalsiri youth club was started in 2019 July. This club got a good start and initiative so that it conducted many social works during its initial day itself. Due to this clubs works and service it got a good recognition and appreciation from local resident. Most of the members of this clubs are youth who are from different location irrespective of their community's and backgrounds , in this club we can see a member from both city and villages area. This club has got itself registered under Karnataka Government with its legal procedure. Overall this youth club has been working selflessly and with good motto of social service from its initial days to present and it wishes to do better and greater works in future.

08/08 To 10/08/2019

We already know that a number of talukas across the North were flooded due to overcrowding in August 2019. Several villages in karwar Taluk were underwater on this time. Members of the KSYCK have jointly worked with the District and several local organizations to provide relief and reassurance to the trapped people. Members of our association volunteered to volunteer in the delivery of food pocket cereals, water cans and daily essentials. As well as helping the rescue of a number of elderly and sick people who were caught in the floods, the KSYCK have given a helping hand to the NDRF.
